AromaSys, Inc.

AromaSys has been installing Environmental Aroma Systems(TM) in the leading casinos of North America since 1991. Starting with the Mirage Resort in Las Vegas, we have now provided over 1000 systems and over 100 aroma blends covering millions of square feet. Using our patented systems and customized aroma blends called Aromatic Symphonies(TM), we offer the gaming industry the most experience and value. We are the original, the leader and always the best. Take your property to the next level of customer influence with the AromaSys Experience(TM).
