(BDR 58-437)

FISCAL NOTE: Effect on Local Government: No.

Effect on the State: No.

AN ACT relating to electric utilities; 1.)prohibiting an electric utility

from requiring the installation of a smart meter on the

residential property of a customer of the electric utility;

2.)requiring an electric utility to provide a 60 day written notice to a customer of the electric utility before installing a smart

meter on the residential property of the customer;

3.)authorizing a customer of an electric utility to decline the installation or request the removal of a smart meter by the electric utility; 4.)authorizing an electric utility to install

certain meters [an analog meter](#) in lieu of a smart meter under certain circumstances; [at the request of any residential customer; 5.\)](#) requiring an electric utility to keep confidential certain [all](#) information obtained from the installation and use of a smart meter; [6.\)](#) prohibiting an electric utility from increasing the cost of electric service to certain [residential](#) customers under certain circumstances; [who have opted for the analog meter; 7.\)](#) and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 **Section 2** of this bill prohibits certain [all](#) electric utilities from requiring the  
2 installation of a smart meter on the residential property of a customer of the electric  
3 utility. **Section 2** requires an electric utility to provide a [60 day](#) written notice to a customer  
4 of the electric utility before installing a smart meter on the residential property of  
5 the customer. **Section 2** further: (1) authorizes the customer, upon receiving the  
6 notice, to decline the installation of the smart meter within a [30 day](#) certain period; (2)  
7 requires the electric utility, upon request, to remove a smart meter from the  
8 residential property of a customer at no cost to the customer within a [30 day period](#); and (3) authorizes the

electric 9 utility to install certain meters [an analog meter](#) in lieu of a smart meter at no cost to the  
10 customer and without any unreasonable disruption in service to the customer.  
11 **Section 2** requires an electric utility to keep confidential the [all](#) information obtained  
12 from the installation and use of smart meters. [with limited exceptions, Section 3 of](#)  
13 this bill prohibits an electric utility from increasing, without the approval of the  
14 Public Utilities Commission of Nevada, the cost of electric service to a customer if  
15 the increase in cost is based solely on the absence of an installed smart meter on the

16 residential property of the customer.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 704 of NRS is hereby amended by adding

2 thereto the provisions set forth as sections 2 and 3 of this act.

3 **Sec. 2. 1. An electric utility shall not require the**

4 *installation of a smart meter on the residential property of a*

5 *customer of the electric utility.*
