

22 "Non-GMO" COMPANIES:

"PUT YOUR MONEY WHERE YOUR MOUTH IS"

These 22 companies shelled out over \$3 MILLION in support of California's Prop 37, which would have required GMO foods to be labeled.

Special "kudos" to **Dr. Joseph Mercola** who contributed **\$1.1 MILLION**.

Other top contributors are **Nature's Path** (\$600K), **Dr. Bronner's** (\$290K), **Lundberg** (\$250K), **Amy's** (\$100K), and **Clif Bar** (\$100K).

Actions speak louder than words. Please support these companies that are dedicated to providing organic, natural, Non-GMO foods.
